OUR VISION

To be the best if customs clearing and logistics movement company when measured in terms of service excellence and reliability.

OUR MISSION

To be the reliable partner of choice that customers can count on, every step of the way. Our services are custom-tailored to every customer's needs – we listen to your requirements and design the best solutions to meet your individual expectations

LOGISTICS MEETS TECHNOLOGY

Our ideas, visions, and technologies are driven and realized by experienced and highly motivated experts. We place great value on diversity in our team to combine the best of two worlds: customs clearing and transport logistics expertise

OUR VALUES

Precise & Reliable

We combine accurate and transparent real-time data with reliable human operations for your business success.

Efficient & Proactive

We achieve in the shortest possible time with minimum resources without compromising on quality. Being proactive is our motto. We show what happens, where, when, and why.

Digital & Easy

Digitization is a must nowadays. Coupled with intuitive operation, we aim to reduce the complexity of supply chains to a minimum.

OUR LOCATIONS

OUR NETWORK

Dionisio Ferro Private Limited's major market routes serves transit cargo from Mozambique to Zimbabwe, Botswana, Malawi, Zambia and DR Congo or vice - versa, as well as Mozambique itself.

We have offices in all Mozambique Container Terminal ports and on all essential border entrance point into Zimbabwe as well as inland in Harare, Bulawayo and Masvingo. We also transport and clear goods from Durban and Johannesburg in South Africa coming to Zimbabwe

MULTINATIONAL COMPANY

10 offices and more than 20 professionals in 2 countries, solving the import and export logistics of our clients.

Dionisio Ferro (Private) Limited has the know-how, experience and resources to provide a complete customs solution for companies importing or exporting through Mozambique and South Africa to any regional destination.

SERVICES

CUSTOMS CLEARING

Customs procedures play a key role in the modern supply chain. A good setup can save precious time and simultaneously optimize the financial and fiscal impact of international trade to a company. At Dionisio Ferro (Private) Limited, we offer fully compliant clearing and forwarding services through our network of offices in Mozambique and Zimbabwe. We offer expert advice and guidance on all necessary procedures and relevant cargo codification as well as submit import and export Customs entries on your behalf.

We have has developed a real specialty in tailor-made customs solutions, where reducing time and cost is the number one focus. Our extensive experience in international goods shipping enables us to offer quality import and export services and to process the necessary documentation for sea, air, rail and road freight.

We operate in the major ports of Mozambique and border posts in Zimbabwe offering customs clearance services in general cargo, perishables, health and pharmaceutical, industrial projects, and renewable energy industries, etc. We also service goods coming through Durban destined for all countries in the region

Save time, reduce costs.

FREIGHT & FORWARDING SERVICES

SEAFREIGHT

Dionisio Ferro P/L Logistics ensures the smooth sailing of your cargo from the collection of your goods, to customs clearing and the delivery of your

shipment. We go above and beyond for our clients, advising on the proper shipping containers, packaging and all documentation required.

We offer Ships Agency, with our comprehensive service covering pre-arrival planning, in-port services and post-departure follow up

AIR FREIGHT SERVICES

Preventing a factory stoppage or stockouts in a clothes shop, sending high-value with an onboard courier, samples for a trade fair or to potential customers, shipping perishable and urgent goods or products with a short expiry date.

We offer a comprehensive product that accommodates all cargo sizes and types, including temperature controlled, high value and bulk out of gauge cargo. Our international forwarding, cross trade and door-to-door services extend to all the major air freight hubs from Asia, Europe, Americas and Africa.

Our teams are on hand 24 hours a day, 365 days a year, to take care of any unexpected circumstances, in which speed is of the essence. We can coordinate and organise urgent shipments at short notice, such as a factory stoppage, spare parts for the mining industries and vehicles, or medical equipment for hospitals in Zimbabwe and Mozambique.

ROAD & RAIL FREIGHT

Goods originating within the region, destined for the region are usually best transported by road or rail. Depending on the size of the shipment and distance, we advise you on the best possible mode that will ensure safe, fast and reliable movement to optimise business operation.

We can help you optimize your overland logistic flows, whether it be by truck or train. Tell us your transportation needs and we will contact you to give you solution.

Our road freight service offers your business efficiency and value for money. Through our extensive partnerships and industry expertise, we ensure that your products are nationally distributed securely and on time.

Service encompass all aspects of cargo movement including Containerized, Perishable, Abnormal and Hazardous cargo by Sea freight, Airfreight, Rail and Road freight,

PROJECT CARGO

Send your special, heavy and oversized goods

Designing advanced project logistics requires flexibility, specific knowledge and a true passion to find solutions to the challenges that arise. And our people have the skills and the determination to do whatever is needed to get that cargo to its final destination. Special cargo for mining industry, power and energy, petrochemical, renewable energy or infrastructure projects, among other.

Tell us your needs and explain us your project, our team specialized in heavy and oversized cargo will offer you the best logistics solution for your operation. Because special shipments require special solutions

WAREHOUSING AND DISTRIBUTION

At Dionisio Ferro, we collect your goods and take them to our bonded warehouse to carry out the relevant customs procedures. We handle international haulage, shipping and air freight, based on your needs and those of your shipments. It is our commitment to ensure that while the clearing process is going

on, your goods are well looked after, safe and secure until they are ready to be released.

Through our network in Zimbabwe and Mozambique, your goods will always be looked after as they pass from port, through all Mozambique and Zimbabwean borders to their final destinations.

CONTRACT LOGISTICS

Contract logistics refers to a flexible outsourced services contract which can be tailored to suit the needs of each client. We tailor best practice to meet your needs, optimising time and costs, to ensure that all or a particular part of your supply chain is properly managed from the collection of your goods to final destination delivery. The particular stage of the supply chain where help is required is defined in the contract and the following points are established:

- The services to be carried out.
- The duration and frequency of the partnership.
- The rates.
- The contract conditions.

Let us know your requirements and which part of the supply chain you need help with and our specialist team will take care of each step to ensure the whole process runs smoothly integrated.

LOGISTICS

Make the most of our expertise in maritime transport, air and land transport, customs services, logistics and storage, project cargo, bulk liquid transport, among others.

FOR YOUR INDUSTRY

Discover our tailored solutions for each industry: general cargo, automotive, perishables and drinks, hotels, pharmaceutical, renewable energy, retail, among others.

All of which enable us to manage your customs clearance, transport logistics, distribution and warehousing for shared growth. If you grow, we grow.

We provide integrated solutions for all or part of your supply chain, from production plant collection to customer delivery!
